OUR PHILOSOPHY

At Arabanoo our philosophy revolves around creating a nurturing environment that encourages play, exploration, and a sense of community for children.

We prioritize safety, creativity, and self-expression, aiming to make learning enjoyable. We foster improvement as it's critical to meet evolving needs. Open communication between educators, children and families is encouraged, fostering a secure and inclusive atmosphere.

Our main goal is supporting children's development by instilling lifelong skills like independence and cooperation while nurturing individuality and self-expression.

Arabanoo's values promote respect, inclusivity whilst treating every child as an individual. We support and recognise children's voices, rights, and agency, whilst acknowledging the inspiration we draw from children, families, and staff.

INTRODUCTION AND OVERVIEW

Arabadoo is a licensed not for profit, parent managed, incorporated childcare centre for school aged children, where membership is compulsory for users. As members of the association you are entitled to attend Parent Management Committee (PMC) meetings and the Annual General Meeting (AGM).

Arabadoo offers before and after school care and vacation care within the grounds of Balgowlah Heights Public School. The Centre is run by the Nominated Supervisor and a dedicated team of child educators that work to make your child's experience at Arabadoo safe, fun and stimulating.

Established in 1994, Arabadoo provides a reliable and efficient service which is overseen by a PMC consisting of parent volunteers whose children attend the service. Management meetings are held once a term and are open to all Arabadoo parents/carers.

Arabadoo operates in its own designated centre located at the top of the Western Campus playground and utilises the playground, covered learning areas and the play equipment. Arabadoo is licensed for 215 places.

Arabadoo aims to provide a safe and fun environment, where all participants become part of an extended family. Our program is based on 'My Time, Our Place: Framework for School Age Care in Australia'. To this end, Arabadoo provides a variety of age-appropriate activities including arts and crafts, basketball, cricket, gymnastics, scootering and soccer, cooking, drama, gardening and Kindy club. Arabadoo also offers a wide variety of charged activities such as TinkerTank, Musical theatre, Karate and Skating. The program can be viewed weekly via the OWNA app or in the centre.

This document is an overview of our service, please see our policies and procedures or contact us for further details.

ENROLMENT AND ONLINE REGISTRATION

At Arabadoo we manage our administration with a web based program that allows parents to register online, make changes to their personal details and view their bookings and account status. This website is directly linked to the Family Assistance Office and allows our centre to offer parents/carers the most efficient delivery of Child Care Support (CCS).

To register for Arabadoo please visit our website www.arabadoo.com and go to the 'Enrol' tab.

PRIORITIES FOR ENROLMENT

In the case where demand for childcare exceeds availability, places are allocated to those families with the greatest need for childcare support. We have adopted the guidelines determined by DEEWR when allocating places in these circumstances. They set out the following three levels of priority:

- Priority 1 – a child at risk of serious abuse or neglect
- Priority 2 – a child of a single parent who satisfies - or of parents who both satisfy; - the work/training/study test under section 14 of the Family Assistance Act
- Priority 3 – any other child

Within these main categories priority should also be given to the following children:

- Children in Aboriginal and Torres Strait Islander families
- Children in families which include a disabled person
- Children in families on lower incomes
- Children in families with a non-English speaking background
- Children in socially isolated families
- Children of single parents

Please be aware, siblings do not receive priority, please enroll them via the OWNA app to be placed on the waitlist.

CENTRE RULES

Behaviour

For safety, all children must abide by the center's behaviour expectations. Arabanoo does not tolerate behaviour that affects the enjoyment and safety of other children, staff and parents/carers using the centre. Arabanoo reserves the right to suspend or exclude a child or parent/carer from the Centre. This will be following consultation with parents/carers and Arabanoo staff.

Please refer to Behaviour Policy & Interactions with Children Policy – [Available on our website](#)

Emergency Care

If a child is not picked up from Arabanoo and staff are unable to contact the parents/carers or nominated contacts by the allotted time (up to 30 minutes past closing time) the police and Family and Community Services will be contacted and the child placed in their care. For this reason, it is essential that parents/carers notify the centre if they are delayed and make every effort to organise a contingency plan for the safe collection of their child/children.

Mandatory Reporters

Arabanoo staff are mandatory reporters and have a duty of care to report anything that they see fit. Mandatory reporting is the legislative requirement for selected classes of people to report suspected child abuse and neglect to government authorities.

Communication

Face to face contact with staff is really important, please say hello to our friendly staff at drop off and pick up. Parent/carers can view information about the program and menu in the centre and via the OWNA app. We value all feedback and take your comments and suggestions into consideration for future programming. Information is placed on the sign in/out desk and you can also view the Day Diary or visit the OWNA app. The Day Diary and OWNA are an account of the events and activities of written/posted by staff and children.

A fortnightly email and OWNA posts are our main method of regular communication with parent/carers. It includes important information about the centre. Arabanoo also submits a small weekly item to the school newsletter to keep families in the broader school community up to date with what is going on.

If we are to continue to improve our service **your feedback about the service is essential**. From time to time we may send a questionnaire. The questionnaire is a valuable tool in gathering information on our members' opinions of the service and we encourage you to provide specific feedback in your comments.

Family Involvement

Families are a key element in all child care programs and this includes Before and After School Care. We recognise that the centre is used predominantly by working parents/carers who may be limited in the time they are able to spend at the service. However, it is important that families feel confident and welcome to work in partnership with the service to promote positive outcomes for their children. It might be that your workplaces can offer interesting vacation care excursions; such as visits to military bases, local sports arenas, newspaper offices etc. Please contact the Arabanoo Office if you have ideas for suitable activities/excursions.

We hold a termly mini fete, which all families are encouraged to attend and get involved in some of the fun activities.

Complaints and Grievances

The staff and management of Arabanoo strive to create an open and honest rapport with each of their staff and families. If at any time you wish to discuss a particular concern, please feel free to talk to a staff member regarding your idea or issue. If the issue you raise is outside of the staff members or director's responsibilities the matter will be passed on to the Parent Management Committee (PMC). If the complaint is not handled by the service to the satisfaction of the person making the complaint they should discuss the issue with the President, either verbally or in writing (pmc@gmail.com). If your complaint is about the PMC the Ombudsman can be contacted on 1800 451 524.

Please refer to Complaint Handling Policy – [Available on our website](#)

THE NATIONAL QUALITY FRAMEWORK

In 2012, there were various regulatory changes which impacted the Child Care Services Industry. As part of these changes Arabanoo, along with all OOSH centres around Australia, were required to implement the National Quality Framework and adapt to the new National Laws and National Regulations. As part of the NQF, Arabanoo has developed a Quality Improvement Plan (QIP) (Regulation 55) a copy of which can be requested by parents. Development of the QIP requires staff to reflect on the service offered by the centre and evaluate its strengths and weaknesses against the 7 quality areas of the National Quality Standards. Through this process, staff will identify areas for improvement and implement improvements.

The 7 Quality Areas are:

QA1 - Educational Program and Practice

QA2 - Children's Health and Safety

QA3 - Physical Environment

QA4 - Staffing Arrangements

QA5 - Relationships with Children

QA6 – Collaborative partnerships with families and communities

QA7 – Governance and Leadership

ACECQA (Australian Children's Education & Care Quality Authority) through the National Quality Framework aims to raise quality and drive continuous improvement and consistency in education and care services and school age care. The National Quality Framework took effect on 1 January, 2012 with key requirements being phased in over time. The National Legislative Framework consists of:

- The Education and Care Services National Law (“National Law”)
- The Education and Care Services National Regulations (“National Regulations”).

The purpose of the National Law is to create a jointly governed and uniform national approach to the regulation and quality assessment of education and care services. The National Regulations set out application processes, the process for rating and assessments, minimum operational requirements and review of decisions, and make arrangements to move existing services into the National Quality Framework.
